Instructions

Objective

Develops hand-eye coordination and fine motor control through the precise action of threading.

Preparation

Set the Scene
Cut out a hole in the character's mouth.

Make the Noodles
Prepare a bundle of yellow yarn to act as "noodles".

How to Play

Tell your child that the Queebi friends are hungry and ready for a noodle feast!

Encourage them to practice "slurping" the noodles by threading the yellow yarn through the character's mouth opening until all the noodles are "eaten."
